ISO CERTIFIED 9001:2015

BHAKTI INTERNATIONAL SCHOOL

INTRODUCTION

Established by the Smt. Jayaben Vallabhbhai Gajera Charitable Trust in the year 2016. Bhakti International School has been focussing on not just educating the present generation but also in nurturing the core virtues such as kindness, honesty and dedication among the students. With excellent academics and variety of extra curricular activities, we believe in the overall development of the child.

ABOUT US

It is the foundation that needs to be built right and hence Bhakti International School admits students from 1st Standard and goes on to 12th Standard with Commerce and Science streams in both English and Gujarati medium.

VISION AND MISSION

To build up values of great moral among students for society.

To inculcate qualities like honesty, hard work, respect, commitment, compassion and dedication in our students.

We believe in values like

NATION FIRST, DISCIPLINE, UPDATION AND RESPONSIBILITY.

ISO CERTIFIED 9001:2015

BHAKTI INTERNATIONAL SCHOOL

ACADEMICS

We believe that it is a good teacher that identifies the best in the students and polishes them to shine bright. Bhakti International School has highly qualified faculties to make sure that the students are being guided in the best way possible.

English Medium

Pre-Primary
Nursery - Jr.KG. - Sr.KG.

Primary & Secondary (GSEB)
Std. : 1st to 10th

- To provide child a friendly healthy and safe atmosphere that will empower children to overcome their limitations.
- To ensure that concepts are so well understood that they can intelligently be applied in practical situations.
- Teachers here continuously work on creating atmosphere of learning through natural affectionate and stable nurturing.
- To maximize students potential with the help of various activities.
- To provide technologies necessary to deliver the curriculum, to communicate and to access manage and evaluate student related information.

The Faculty,

A strong committed and knowledgeable faculty is the backbone in an educational Institution. We are lucky that we are backed by a team of extremely talented teachers who are passionate about their work. Their passion is not only to teach but also to learn.

We believe in developing our teachers and encouraging them to enhance their skill. The school regularly conducts training and professional support workshops.

**BHAKTI
INTERNATIONAL
SCHOOL**

Laboratory & Class Room

We have a functional & well equipped lab on campus where students can gain practical knowledge to hone their skills

CHEMISTRY LAB

PHYSICS LAB

COMPUTER LAB

BIOLOGY LAB

External Development

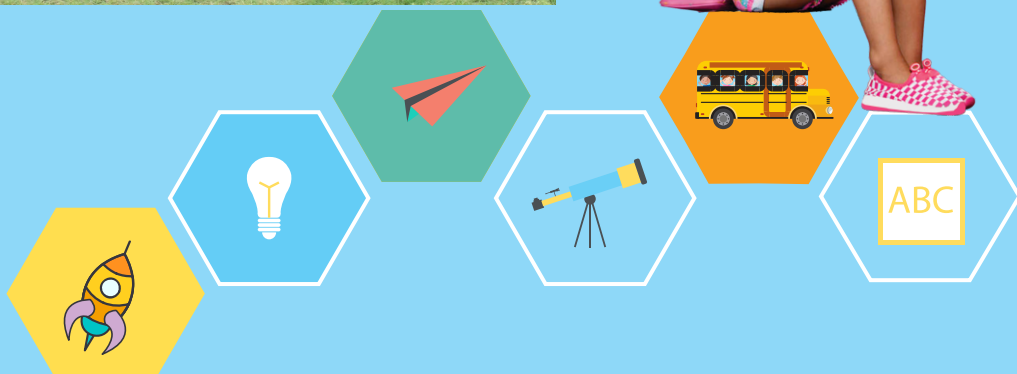

Apart from the school academics, we help students to prepare for a brighter future with extra classes & exams which improves their learning level & also helps boost their personal development.

We understand that all children are different and unique. Some may be good at academics and some may be good at sports. We have provisions for brushing up their individual skills with Extra Classes on:

- NTSE, KVPY
- Olympiads
- Navodaya
- G.K. for competitive exam

- Antic Maths
- Art & Craft
- Music
- Singing
- Drawing

Extra-curricular Activities

The overall development of a child depends on how he/she balances his/hes academics while being equally active in his/her hobbies and talents. To make sure that our students are capable in conquering their professional careers in every aspect, with a number of activities.

Trustee
Message

Rameshbhai Gajera

Winning horse doesn't know why it runs in race, It runs because of beats and pains. Life is race, God is your rider. So if you are in pain think god wants you to win.

President
Message

Alpeshbhai Gajera

You cannot be a success in any work, without believing that it is the greatest work in the world. You have to put your heart in the work and work in your heart.

Campus
Director

Laljibhai Dhola

A Stone on the path can either be a stopping stone hindering the path or it may can be the stepping stone helping you to go higher on the path, the stone is same but how you use it depends on you.
